## **SECTION 1. INTRODUCTION AND BACK GROUND**

Rwanda Engineering and Manufacturing Corporation (REMCO) is a company that started in 2018 and is owned by the government of Rwanda. REMCO was established to manufacture machines, equipment and spare parts that were previously imported to serve in the sectors of Agriculture mechanization, Construction, Mining, Automotive, Energy, Defense and Health care. REMCO also provides technical support services to other local as well as regional companies through training, repair and maintenance services.

REMCO has got a foundry that specializes in producing metal castings and during this activity they carry out cleaning and surface preparation of the castings to remove any imperfections from the surface of metal castings. It is in that regard therefore that Remco would like to invite qualified bidders to submit their bids/offers for the tender for supply of steel shots.

## **SECTION 2. SCOPE OF WORK**

The successful bidder shall supply the required steel shots as per the required specifications and requirements mentioned in this document below in the right quantities and best quality and they must be able to serve the purpose for which they are intended to.

## **SECTION 3. TENDER PRESENTATION AND REQUIREMENTS**

All tenders must include and present the following phases and they will be evaluated in the same fashion.

### **3.1. ADMINISTRATIVE ELIGIBILITY**

All bidders shall provide the following documents as the first criteria to be followed for the first stage of evaluation.

- a. A valid business/company registration certificate.
- b. A valid company profile.
- c. Evidence of supply of these items or part to any other customer.

### **3.2. TECHNICAL SPECIFICATIONS**

All bidders shall present the following specifications as the second criteria to be followed in the second stage of evaluation.

- a. A list of specifications that must correspond to the following specifications and part numbers.  
Any lower specifications will not be tolerated or accepted.
